An Alternative to Payday Loans

The NEW "QUICK LOAN"

Many people are using payday loans for the ease of getting money without a lot of paperwork or having to go through credit checks. Recent changes in Oregon state law are going to cause many of these high cost lenders to go out of business.

Bi-Mart Credit Union is here to serve you and wants to develop a low cost alternative and have more employees use the Credit Union.

What's a "Quick Loan":

- 1. No Fees with an interest rate of only 18%*
- 2. No Credit Check, if loan is on automatic payment such as payroll deduction.*
- 3. Normally the maximum loan is \$500 over a maximum of 5 paydays. Possibly more for long term employees.*

You need to be a member of the Credit Union with at least \$25 in savings and have completed 3 months employment with Bi-Mart. You cannot be in the middle of a bankruptcy. If you are not a member, the Credit Union will lend the \$25 to start your membership but you will also need to fill out a separate membership application..

NOTE— If you already have a credit union loan and need a small loan, you can often add a few hundred dollars to your present loan without a new loan application with just a phone call. This is cheaper and faster than a "Quick Loan".
